The Auditor's Agent Takes a Whack at Charitable Institutions.

Auditor's Agent Watson is no respecter of persons, for

All dollars look alike to him!

He contemplates suit in the County Court, praying judgment against DeKalb Lodge No. 12, I. O. O. F., for something short of a quarter of a million dollars, for alleged personal property alleged to have been omitted for taxation for the past five years.

In other words, he prays for judgment against \$10,000 in personality for each of the years 1898, 1899 and 1900, or \$120,000 in all, and \$30,000 for each of the years 1901-2, against or \$60,000 in all, making a grand total of \$180,000, on which he wants taxes and an added penalty of 20 per cent. to pay for the fun the boys will have defending the suit.

Mr. Watson also goes after Ringgold Lodge of Oddfellows, claiming a "surplus" of \$10,000 for several of the aforesaid years.

His Attorney is W. O. Davis.

UNLUCKY CARLISLE!

Once Again Visited By Fire, This Time With Serious Results.

Carlisle on Saturday had another sad visitation from fire, this one attended with serious results.

The Graded School Building, erected in 1891 at a cost of \$25,000, was burned to ashes about 8 o'clock.

The fire was caused by a flame from the furnace reaching the joists and setting them ablaze.

The fire department was powerless, as the gasoline engine turned over and was broken upon its arrival at the scene, leaving only a hand engine and small fire extinguishers.

The Paris fire department responded promptly but could not be of service when it arrived.

In the explosion of gas confined in an upper room the flames burst forth and caught several persons in the hall, who were fearfully burned. Among them were the Rev. F. M. Tindler, E. O. Dorsey, Thomas George, Joseph Day, Scudder Crain, Chief of Police C. C. Dunn and H. R. Ewing.

Scars of persons were hurt by the falling walls, but it is thought no one was killed.

Tindler and Dorsey are the worst injured, and may lose their eyesight. The engine turned over on Mayor Kennedy and bruised him considerably.

The building, which was insured for \$12,500, will be rebuilt as soon as the insurance is adjusted.

Too Great a Risk.

In almost every neighborhood some one has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned.
